## Funding Request Application

Funding request type you are applying for: \*

In order to make your application process easier, you should have the following pieces of information available:

- Make sure your personal data in your education record is up-to-date. This is crucial in making sure your application for funding goes through smoothly.
- Estimated dates for the exams you are taking. If you are testing outside of the AFVEC system allowed 120 day window, please contact the AF COOL CPO at DSN 749-5115 or [CCAF.COOL@US.AF.MIL](mailto:CCAF.COOL@US.AF.MIL)
- A list of itemized exam fees from the exam center (Application and/or Administrative only), as well as fees associated with study materials, preparatory courses and books.
- Please be aware that funding for exams starting in the next fiscal year is conditional until receipt of the funds.
- Ensure that you have obtained approval to test from the credentialing agency, meet all eligibility requirements for the credential/ licensure, and have filled out all applicable applications and other required items prior to submitting your funding request.

*By selecting the acknowledge button below, you agree that all required information has been completed. If the CPO finds that there are processes missing that should have been completed prior to submitting your funding request, your application will be rejected and returned for proper completion.*

I acknowledge these conditions
